

Online Resources for the Family Medicine Junior Clerkship

Practice Resources

Guide to Clinical Preventive Services – 3rd edition

Provides the latest available recommendations on preventive interventions: screening tests, counseling, immunizations, and medication regimens for more than 80 conditions.

<http://www.ahrq.gov/clinic/cps3dix.htm>

National Guidelines Clearinghouse

A searchable comprehensive database of evidence-based clinical practice guidelines and related documents from a variety of government agencies, medical associations, and other organizations.

<http://www.guidelines.gov>

Primary Care Educational Modules from the American Medical Student Association.

<http://www.amsa.org/programs/ccimain.cfm>

Healthcare Costs

PubMed

World's largest database of medical literature, from the National Library of Medicine. NOTE: Find articles on cost using subject headings such as *cost-benefit analysis*, *mass screening*, and *economics*.

<http://www.pubmed.gov> OR <http://www.ncbi.nlm.nih.gov/sites/entrez?holding=musmlib> (for library holdings)

Images

ImagesMD

A compilation of over 70,000 images spanning all of internal medicine. Images include radiographs, photographs, illustrations, charts, graphs, and tables. Each image is accompanied by detailed text.
