DISC Final Project Report Guidelines

The purpose of this report is to evaluate the final DISC service learning project. Please remember to comment on the following when discussing your project:

- Information on community and organization
- Project planning and implementation
- Details of significant project milestones
- Evaluation of methods used to implement program
  - What were your biggest challenges?
  - What were your biggest rewards?
- Significance of project
  - Community
  - Organization
  - Student

Final DISC Project Report is due within six weeks of end of project. Please remember to include your DISC Project Portfolio with your final project report. Remember, all students that have completed a project are required to present a Mercer University’s Annual Service Learning Conference.
