

2020-21 UWorld Software Fee Class of 2023 “Opt Out” Form

July 22, 2020 Deadline

Mercer University is requiring Year 2 MD students to access UWorld during the 2020-21 school year as part of the second year curriculum and infrastructure for Step 1 study. MUSM will purchase UWorld for 2nd year students at an institutional bulk discount rate of \$459 per subscription and will accordingly assess a one-time \$459 fee during the Fall 2020 semester for Year 2 MD students.

Students have the right to “Opt Out” and waive the \$459 UWorld software fee. In order to “Opt Out,” students must complete and submit this “Opt Out” Form to the Financial Planning Office by the **Wednesday, July 22, 2020 deadline**. MUSM will not purchase UWorld for students who “Opt Out” by the deadline. Be aware that Opting Out will waive the UWorld fee from the student’s account; however, it does not waive UWorld from the student’s Year 2 curricular requirement.

I choose to “Opt Out” of the UWorld Software Fee for Fall 2020. The \$459 fee will accordingly be waived from my Fall 2020 MUSM account.

- I understand that MUSM will **not** purchase a UWorld subscription for me during 2020-21 and that I am responsible for securing my own subscription.
- I will not be permitted to “opt in” at a later date.
- I must submit this form to the Financial Planning Office by **Wednesday, July 22, 2020**.
