

## MEDICAL EDUCATOR TRACK

This track recognizes faculty, clinicians and non-clinicians, who devote the majority of their time to educational endeavors associated with the educational mission of the medical school. Faculty in this track are expected to participate broadly in activities related to teaching including instruction, curriculum development, assessment of students, advising and/or mentoring students, and providing effective educational leadership for academic programs. They will be expected to achieve and sustain accomplishments in medical education. Some scholarship will be required on this track.
