Cost of Attendance (COA), 2020-21

You should anticipate costs, other than tuition and fees, related to your attendance at Mercer. These other expenses will not be included on your student bill, will vary by student and may include expenses for books, travel, room, board and other miscellaneous educational costs incurred during the academic year. We have developed an average COA for each student who has been awarded federal financial aid funds.

Students are not allowed to receive funds (scholarships, grants, federal loans, alternative loans, etc.) in excess of the total cost of attendance. In limited circumstances, students may receive additional funds to cover disability related expenses, dependent child care costs, a one-time computer purchase and medical or dental expenses. Please contact the Office of Student Financial Planning if you need financial assistance to cover these items.
