MERCER UNIVERSITY SCHOOL OF MEDICINE

Our Vision

The grand challenges of rural health are resolved through education, research, and community engagement.

Our Mission

To educate physicians and health professionals to meet the primary care and healthcare needs of rural medically underserved areas in Georgia.

Established in 1982, Mercer University School of Medicine's mission is to educate physicians and health professionals to meet the primary care and healthcare needs of rural medically underserved areas in Georgia. We have three main campuses—in Macon, Savannah and Columbus—all united by this mission.

Student Achievement

Awards and Honor Societies

ALPHA OMEGA ALPHA HONOR MEDICAL SOCIETY

Founded in 1902, Alpha Omega Alpha, is the nation’s honor medical society. It was established to recognize the high ideals of both professionalism and academic excellence. Those selected truly live up to the society’s motto of being ‘worthy to serve the suffering’.

GOLD HUMANISM HONOR SOCIETY

Established by the Arnold P. Gold Foundation, this honor society recognizes medical students who have practiced patient-centered care by modeling the qualities of integrity, excellence, compassion, altruism, respect, and empathy. Students are selected into the honor society through a peer nomination during their third year of medical school.

PHI KAPPA PHI HONOR SOCIETY

Phi Kappa Phi was founded in 1897 to honor those students who had achieved the highest level of academic success regardless of academic discipline. The society was named Phi Kappa Phi from the letters of the Greek words forming its motto, Philosophía Krateítō Phōtôn, “Let the love of learning rule humanity.”

PHYSICIAN’S PHYSICIAN AWARD

The Physician’s Physician Award is given each year to the graduate who best exemplifies the ideals of a caring and trusted physician. Student are selected by their peers as the classmate who most demonstrates compassion, empathy and quality care and whom they would most likely choose as their own healthcare provider.
