CIC Minutes -February 15, 2018

Members Present:

Steve Williams, MD – Chair – Not Present
David Baxter, MD – Vice-Chair

February 18, 2018

Members Present:

- David Baxter, MD
- Susan Cline, PhD
- Ed Grimsley, MD
- Alice House, MD
- Jeff Ignatoff, MD
- Carolyn Klatt, MLIS
- Edward Klatt, MD
- Kunal Patel
- E.S. Prakash, MBBS
- James Thomas, PhD
- Kristjan Thompson, PhD
- Roberta Weintraut, MD
- Larry Nichols, MD
- Kelly Tipton
- Peter Uchakin, PhD

Others: James Knapp, PhD, Marshall Angle, PhD, Kelli Lemieux, Susan Codone, PhD, Jacob Warren, Dr. Eickleberry

Call to order: 4:03

- Minutes from Last meeting: Add Jacob Warren - Approved

New Business:

Macon had an inquiry to start a Psych ACT Program and wanted more information. Dr. Kelly spoke with the Psych program and informed them the details of the ACT program.

Dr. Baxter presented graphs of each discipline’s shelf scores for the first half of the Academic year. He will send out a copy of the comparison graphs to the CIC. A question was asked if we have noticed a difference in shelf performance with HCA and physicians leaving? Dr. Angle will collect the data.

The committee looked at the results and discussed the NBME pilot subject exam. The exam was well received by the students and we wanted to see how we compared to the national average. Dr. Baxter noted that NBME also angoft their exams. The students reported they were glad the exam was after the end of module exam in order to build their exam stamina. The students were also asked how the NBME questions compare to Kaplan or U-World questions and the students reported that the NBME questions were easier.
Dr. Angle made a recommended motion request on Charge #2 in CQI&A to review and update MUSM’s schedule for competency-based curricular review and continuous quality improvement. The motion is to work out a cyclical review of the PC-ACT program.

Discussion: This is a new curriculum and we will need to something tighter than a 3-year review since we will need to change – we are already doing annual reviews – this would be cyclical on top of those annual reviews. Block chairs are already submitting annual reviews of feedback data. Should have a full review every year until we have a full 2 cycles of the program. There needs to be an evaluation form for each of the blocks – executive summary evaluation from the form – what went well, not well, summary of performance data. Accept with Modifications – In favor – unanimous

Old Business:

Campus Reports

Columbus- House – Dr. Eickleberry was present and there are some administrative changes – Piedmont is being bought out, but not not anticipating changes.

Macon-Williams – Grimsley/ Codone – Nothing to report

Savanah-Knapp – organizing capstone course with Dr. Carpenter – organized and ready to go – scrub class to be implemented during orientation

Committee Reports -

Block 4 – Ignatoff – PBL groups are okay – we would like a uniform mode of presentation presented in DLR to help with sharing of information and combined review.

Block 2- Grimsley – End of Module exam tomorrow - 100 questions

Year III-Baxter – New Medicare rule – what students can write in the medical record – being expanded and how it will affect our students

Year IV-Williams – None

CQA&I-Angle – no more comments

Meeting Adjourned: 5:07PM
