Curriculum and Instruction Committee
Meeting Minutes
Thursday, June 6, 2013

Attendees:

Carolyn Klatt, MLIS
Edward Klatt, MD
McKinley Thomas, EdD
David Baxter, MD
Robert Weintraut, MD
Robert Donner, MD
W. Patrick Roche, MD
Tina Thompson, PhD, Chair
Grady Carter, MD
Wayne Glasgow, PhD
Steve Williams, MD
Dominique Broccoli, PhD
Jeff Ignatoff, MD
Guest: Dean Malan

Absent:

Wade Fletcher, MD
Blanca Lopez, MD
Phillip Lunsford, MSIII
Alec Ridley, MSII
Chelsea Bayer, MSI
Erin Meehan, MSIV
Ashley Horner, PhD
Michael Smith, PhD
Roy Russ, PhD

Call to order

Dr. Tina Thompson, Chair of the CIC Committee, called the meeting to order at 4:30PM.

Approval of Minutes

The minutes from the May 16, 2013 meeting were presented for approval of the committee.

*The minutes were approved by acclamation.*
New Business

1. The first item of business was for Dr. Grady Carter to give an overview of the Capstone Course. A summary of the course evaluation was presented (see attached document). As a whole, the capstone course was a success, students were engaged and participated in all activities. Most of the feedback was positive; 77% of the students said that we should have this course next year and 57% said they would keep it at the same time of the year. The clinical skills sessions were the most well received. Students did comment that they wanted more radiology, Peds, OB/GYN, order writing and clinical reasoning. It was recommended and supported that the financial aid exit interview be added to the course next year. Dr. Carter noted that we will have to decide what to do about the Columbus campus next year. He believes it will be very difficult to run this course on that campus and recommends having students come to Macon for the week. The overall cost, minus stipends, was around $4000.

2. The next item of business was for Dr. Donner to discuss his thoughts on Year 1 and 2 curricular reform. He presented a power point to the committee and then the floor was opened for discussion (see attached). Dr. Malan and Dr. Thompson both noted that we may want to consider having a task force to help with this reform. Also noted was the fact that we need to first figure out what the students should learn and then how they should learn it. We need to decide on the content first and then worry about how to implement it. Dr. Thompson asked the CIC members to think about what was discussed and we will continue to talk about this issue at the next meeting.

Adjournment

There being no further business to discuss, the meeting was adjourned at 5:40PM
