New Business

1. Academic Counselor Referring Process – Dr. Angle
   - Dr. Angle began by introducing Dr. Katherine Jarvis the new Academic advisor in Savannah.
   - She and her counterpart in Macon will providing academic support to students that are in need of help.
   - Marshal was examining two questions. Who needs help? How many students can we serve?
   - Who Needs help – Students that fail and students that just barely “low pass”
   - At the end of the block 3 failed and 13 Low pass.
   - These students would have been required to see Academic Support personnel.
   - 70% was the generalized standard for passing.
   - There were questions about where academic advisor would be in this process.
The idea was presented that after the first exam then look to check progress and determine need for student support.

2. Ethics and Professionalism – Dr. Baxter
   - Dr. Childs working on the ethics curriculum and Block 2 & 4 in the new curriculum.
   - No major changes in curriculum this year.
